Ms. Salimena graduated from Georgetown University and earned a master's degree from the University of Pennsylvania. A native of Philadelphia, she also lived in Washington, D.C. and New York before moving to Austin where she now lives.

Kathleen is the author of *The Royal Yacht*, a book recommended for children ages 6 and up. She has also published pieces in Spanish, British and Italian magazines. She learned Sicilian from her grandmother, and taught Spanish and French. She will, however speak to us principally in English.

Musical Program

THE SINGING SENIORS
OF BAYLOR UNIVERSITY

Directed by: CHARLES P. RICH

Chairman of the Day:

DR. DAVID S. DOW

Chairman, Music Committee

The Singing Seniors of Baylor University will present sounds of the season on December 14. This adult choir has about 100 members, thirty or so whom will entertain us.

The choir was founded in 1983 by Dr. Euell Porter while he was Director of Choral Music at Baylor University and he conducted the choir for many years. Dr. Porter wanted older adults to have the experience of singing a variety of great music and he was certainly a man qualified to teach, lead and inspire. Charles

P. Rich, the current director, has been in that position for almost 12 years. Anita Allen has accompanied the choir for 11 years.

The choir rehearses twice a week and presents six or seven concerts each semester. Most but not all are in Waco. Enrollment is open each September and January.

The program will include "Have Yourself a Merry Little Christmas," "Home for the Holidays," "For Unto Us a Child is Born," "Silent Night" and other selections.

On December 14th

Bring your spouse or special guests to Rotary with you to enjoy the special musical program planned for the holiday season!

No Meetings December 21 or December 28 Have a Happy Holiday Season!

Most of us have an idea of how we want our holiday season to be—bright lights, delicious food, and good times with family and friends, all mixed together with a certain amount of order. But in our plan to keep order, we often forget that some of the most precious times in life are unplanned. These special moments help us build our memories.

May this Holiday Season and the coming New Year bring you many happy surprises!
