ROTARY'S AMAZING GROWTH

From one club with four members back in 1905 to more than 32,176 clubs in 2005 with 1,214,127 members-that's the phenomenal growth of Rotary in 100 years! And this amazing growth has been achieved entirely through the voluntary efforts of men and women who have learned the value of service.

Rotary grew and continues to grow because of Rotarians everywhere who believe that communities are better because of the fellowship, the leadership and the service of men and women united under the banner of Rotary.

As this great organization begins its 93rd year of service in our city, we are pleased to present Jack W. Smith, who on July 1, 2005 becomes the President of the Rotary Club of Waco to take us into this new century of service of Rotary International.

A former member and Past President of the Rotary Club of Marlin, Jack entered the Rotary Club of Waco on October 23, 1989 with the classification of PUBLICITY. He was elected in 1995-96, 1996-97 and 1997-98 to serve on the club's Board of Directors; and elected again to serve in 2002-03, 2003-04, 2004-05 and 2005-06. He was Secretary-Treasurer and Chairman of the Program Committee during 2003-04; and served as Vice President/President-Elect in 2004-05. A regular reporter of "The News" at our Rotary meetings, he is a Sustaining Member of The Rotary Foundation; and has been the professional moderator of the club's "Challenge" television series for the past seven seasons.

Jack was born in Sherman, Texas, and was graduated from Marlin High School. He received his Bachelor of Science degree in Speech/Communications in 1967 from The

University of Texas at Austin. From 1967-1972, he served in the U.S. Army as an Infantry Captain and a helicopter pilot, and is a Vietnam veteran.

Returning to Marlin, Jack owned and operated Heritage Soap & Candlemakers from 1973-79. From 1979-81, he was a news reporter for KWTX-TV in Waco, and in 1981 was named to co-host the popular PM Magazine program. Before opening WordSmith Advertising in 1986, Jack was a senior account executive with Ray Hicks Advertising/Burkes Southwest Advertising for a year. He is the founder/chairman of the Silver Microphone Award Competition--a national competition for local/regional radio commercials and audio programs, and The Vision Award Competition--a national competition for local/regional television commercials and video productions. And during 1997-98, he was a guest lecturer in Advertising Writing at Baylor University.

An active community leader in both Waco and Marlin, Jack serves as an Elder of the First Presbyterian Church of Marlin. He

COMMITMENT TO SERVICE AWARD

Last month at Rotary, Dr. Gene Davenport, 2004-2005 Rotary District 5870 Governor, came to our club to present Rotarian Past President Judge Bill Logue a Certificate naming him for a 2005 "Commitment to Service Award." The Award, one of ten available to our District during Rotary's Centennial year, is to honor a Rotarian who has been a member for 25 years or more with a record of unwavering support for the club and the ideals of Rotary. Signed by Rotary International Centennial President Glenn Estess, the Certificate recognizes those Rotarians who have served quietly and consistently throughout the years, and whose efforts may have gone unnoticed beyond the local Rotary Club.

Congratulations, Bill. We are proud of you!
