**JUST THINK ABOUT IT!**

Do you ever stop to think of the good that comes from your attendance at our Rotary Club's weekly meetings?

Right in the middle of the day's struggle for existence - on a Monday, no less - we have the opportunity to drop our business cares, and assemble in a room with a bunch of some of the nicest people in the whole world. After we belt out a snappy song, and catch up on what's happening in our club and community, we welcome a speaker, who likely will tell us about something we need to know.

It all happens in just 65 minutes at our club, but we are able to go back to our jobs refreshed in mind and soul.

Thanks, Rotary

**GIVE THANKS**

On this Thanksgiving Day, as we pause to give thanks, let us be grateful for the spirit that surrounds us in this great land of our - the spirit that has made us and kept us free.

Many years have passed since the first settlers came here in pursuit of freedom. And as those first men and women gave thanks for the corn that meant life to them, let us give thanks, not just for the little things of the easy years, but for the land we cherish, the way of life we honor, and the freedom we still enjoy.

**HAPPY THANKSGIVING DAY!**
